Date: Wednesday, September 25, 2013 4:05:00 PM

David – can you please advise when EPA can expect the signature page back from IR? The RCRA Section 3013 AOC with Lockheed Martin, Technisand, and Wedron Silica Co. was executed and filed today. I also received the BP signature page back today, so the document is headed to the Director of LCD for signature and filing. Thanks-Jacquie
